<sup>1</sup> A "1" following an entity name indicates that the entity is also a MCD; the false MCD name is not shown.  
<sup>2</sup> Features shown only when coincident with the subject urbanized area / urban cluster boundary.  
<sup>3</sup> Features coincident with the boundary of an entity other than the subject urbanized area / urban cluster.

The urban areas (urbanized areas and urban clusters) are defined using Census 2000 blocks and population data for statistical purposes only. The detailed criteria for defining urban areas were published in the Federal Register (67 FR 11661). All legal boundaries and names are as of January 1, 2000. The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement.
